Profile

Daniel Larsen is a Principal with the health care group of CliftonLarsonAllen specializing in consulting services in the area of revenue cycle improvement, financial analysis, and Medicare and Medicaid reimbursement. Daniel leads our critical access hospital reimbursement consulting practice.

Daniel has over twenty-five years of experience in providing professional services to health care clients providing value added services to hospitals, critical access hospitals, skilled nursing facilities and federally qualified health centers and rural health clinics on a national basis. Daniel's scope of consulting work includes various forms of reimbursement and financial analysis including, strategic reimbursement strategy sessions, chargemaster assessments, price opportunity studies, CAH performance benchmarking, CAH Gold Standard benchmarking, financial modeling, and more. Daniel oversees preparation of Medicare and Medicaid cost reports for various types of healthcare providers. Daniel also has extensive experience and capabilities as related to data extraction techniques and data manipulation which complement the ability to leverage meaningful data in the provision of the above services.
